Trento, _____

The Student signature _____

The Supervising teacher _____

The internship lasts **150 hours** at the end of which 6 credits are awarded. In the case of combining the work placement activity with the thesis (final examination):

- for the Bachelor's degree in Biomolecular Science and Technology (STB) with a final examination of 6 CFU, the maximum length of stay at the CIBIO laboratories is set at **four months**, with a possible extension of a maximum of **2 weeks** at the PI's motivated request;
- for the Master's Degree in Cellular and Molecular Biotechnology (BCM) with a final exam of 30 ECTS, the maximum duration of stay at the CIBIO laboratories is set at **9 months**, with a possible extension of a maximum of **7 weeks**, upon reasoned request of the PI;
- for the Master of Science in Quantitative and Computational Biology (QCB) with a final examination of 15 CFU, the maximum length of stay at the CIBIO laboratories is set at **five months**, with a possible extension of a maximum of **4 weeks** at the PI's motivated request.

To be delivered to the secretariat of the CIBIO Department
