

Ranking list of Quantitative and Computational Biology

Selection reserved to EU applicants and equivalent

Academic Year 2026/2027

Available positions: 42

1. Admitted candidates will receive instructions via email on how to complete their enrollment or confirm their place (if conditionally admitted), along with the relevant deadlines. Therefore, candidates are kindly requested NOT to contact the office and to wait for and carefully read the instructions provided.
2. Admitted candidates who do not intend to confirm their place are kindly requested to notify the office as soon as possible an email at stem.admissions.int@unitn.it
3. Conditionally admitted candidates must fulfill all curricular and language requirements prior to enrollment and, in any case, no later than October 31, 2026.

Ranking

Application ID	Admission Score	Ranking	Outcome	Curriculum
939915	96,00	1	Conditionally admitted	Computational
931189	90,06	2	Conditionally admitted	Computational
946443	89,92	3	Conditionally admitted	Quantitative
934659	89,40	4	Conditionally admitted	Computational
